Payment Method and Time Duration

- To Develop this type of Website/Application/Portal we need **10-15** working days.
- We accept payment in all the ways like – By Cash, By Cheque, By Bank Transfer, By UPI or DD.
- Our Payment Terms are :
  - 1st payment installment 40% in Advance to start the development.
  - 2nd payment installment 30% at the time of completion of 50% of working modules.
  - 3rd Final payment of rest 30% will be at the time of delivering all the modules as per requirements.

Our Payment & Banking Details are :

A/c Holder Name: **DigiCoders Technologies Private Limited**

Bank Name: **Central Bank of India**

A/c Number: **37554198l7**

IFS Code : **CBIN0280145**

Branch : **Vivekanand Polyclinic, Lucknow.**

Our Policies

- This proposal serves as the final confirmation to initiate development.
- Development work will commence only after receipt of the agreed **advance payment** and submission of all **necessary project details** including (but not limited to) business details, required documents, logo, company profile, contact information, and product/service details.
- The total project cost is **Offer Price + 18% GST**. A GST invoice will be provided.
- The project will be published or delivered only after **full payment** is received.
- Payments made are **non-refundable and non-transferable** under any circumstances.
- Charges for paid APIs, third-party tools, or integrations (if required) will be borne by the client.
- The quoted price is based on the scope of work as per the finalized requirement list.
- Any change in modules, features, or additional requirements will result in **revised charges**.
- If additional modules/pages are requested in the future, charges will apply as per the updated scope.
- After successful completion and delivery, the first **six (6) months of maintenance** will be provided **free of cost**.
- Post this period, **annual maintenance charges (AMC)** will be **25% of the total development cost**.
- Maintenance includes ensuring the smooth functioning of the existing modules and providing technical support/training, but **does not cover upgrades, redesign, or development of new features**.
- The **source code remains the property of the client** but will be secured and maintained by DigiCoders Technologies.
- If the client requires delivery of the source code, an additional **30% of the total development charges** will apply.
- However, if the client continues with our AMC for **three (3) consecutive years** (excluding the initial 6-month free maintenance period), the source code will be delivered at **no additional cost**.
- If the client wishes to cancel or stop work during the development phase, they must pay for the modules already completed.
- In case all modules are completed and delivery is delayed due to **pending payment from the client or any required information/documents**, such delay will **not** be considered in the agreed development timeline.
- Both parties agree to maintain confidentiality of all shared information, data, and business details related to the project.
- DigiCoders Technologies reserves the right to update or modify these terms and conditions. For the latest version, please refer to our website: www.digicoders.in **
