9. DESIGN & DEVELOPMENT DIRECTION

DESIGN POSITIONING

Premium + Elegant + Family-Oriented + Trustworthy

The website must not look like a generic low-cost manpower agency. The visual language should communicate that the service is a trusted household solution for families.

SUGGESTED COLOUR PALETTE

Ivory / Warm White • Deep Burgundy • Dark Charcoal • Champagne / Soft Gold Accent

TYPOGRAPHY

English: Manrope / DM Sans / Plus Jakarta Sans
Arabic: IBM Plex Sans Arabic / Noto Kufi Arabic

PHOTOGRAPHY

Use premium, natural photography of elegant Qatari villas, refined home interiors, professional household staff, family-oriented scenes, cooks, family drivers, nurses and caregivers.

Avoid stereotypical stock photography and overly staged manpower-agency visuals.

TECHNICAL REQUIREMENTS

- Arabic + English bilingual website; Arabic should receive strong UX priority.
- Fully responsive across desktop, tablet and mobile.
- Fast loading and optimized images.
- SEO-ready page structure and metadata.
- Dedicated SEO-friendly URL for each service.
- WhatsApp integration and floating WhatsApp CTA.
- CMS/admin capability for service content and staff profiles.
- Google Maps integration on Contact page.
- Secure enquiry form with spam protection.
- Analytics and conversion tracking should be implemented.

FINAL BRAND MESSAGE

Trusted People for Your Home.

Professional Support for Your Family.

The website should sell trust, suitability, professionalism and peace of mind — not simply the availability of workers.

DEVELOPER HANDOFF NOTE

Use this document as the content and UX baseline. Final claims, staff qualifications, licensing statements, pricing, replacement policies and service terms must be confirmed by the company before publishing.
